Dear Sir or Madam

I am a resident in the City of Woburn in the State of Massachusetts. My home is approximately one mile from **Olin Chemical Plant** in Wilmington, MA.
 I would like to go on record as being apposed to a 'trash transfer station' for fear of it being detrimental to the health of myself, family and neighbors.

Sincerely,

Ms Charlotte Oliver
 29 Kenturcky Ave
 Woburn, MA 01801
